

# Regan Wilders

*Web Developer/Technical Consultant*

regan@wildersgrp.com | 646-204-3369 | New York, NY

## OBJECTIVE

Experienced web developer seeking opportunity to bring knowledge of analysis, web development and programming to organizations building high-performing websites.

## EXPERTISE PROFILE

- Extensive experience with multiple programming languages
- Strong understanding of web architecture, security and best practices.
- Excellent troubleshooting, bug resolution abilities.
- Experience writing SQL queries and reports.
- Critical thinking and problem-solving skills
- Requirements gathering, research and analysis.
- Experience working with in-house and remote teams.

## CAREER HIGHLIGHTS

Regan has over 15 years of solid experience in software analysis, design and development, the last 5 of which have been devoted to website consulting, design and development.

She combines her years of corporate experience with artistry and tech-savvy to create high performing websites.

Regan began programming at the beginning of the internet boom, after working as a fine artist. She approaches programming as both an art and a science.

## TESTIMONIALS REFERENCES

### **Claire P. Gutekunst**

Executive Director at Judges  
and Lawyers Breast Cancer Alert (JALBCA)

I've worked with Regan for over 3 years.  
She is has kept our website running smoothly  
and has been an asset to our organization.

### **Andrew Schulkind**

Digital Strategy and Web Development  
at Andigo New Media

Regan is a highly skilled web devleoper that  
sees the big picture. She developed several websites  
for us. She is knowledgable, reliable and  
a pleasure to work with.

### **John K Meyer**

Chief Architect at  
Integrated Endpoints Solutions

I worked with Regan when we were both programmers  
at Telesphe, a market data company. She has  
fantastic analytical and programming skills and is  
a team player.

### **Lois M. Brenner**

Divorce Attorney

I hired Regan several years ago to rebuild my website.  
She did a fantastic job, and make the site SEO friendly.  
I was able to gain new clients thanks to her work.
